ITEMS FROM COMMISSIONERS

Commissioner Frye inquired from Staff as to whether there is a new tenant or plan for that vacant Mike's Food Store.

Commissioner Skinner requested that we amend the minutes from the November 18, 2014 meeting to reflect a change in his statement. It was written in the minutes that he inquired about the possibility of installing a crosswalk on Central Ave in front of Duarte High School. However, the correct school was Andres Duarte School.

Commissioner Haynes has noticed that it is almost impossible for residents to make a left turn on to Duarte Rd from Cinco Robles due to traffic and vehicles parked on Duarte Rd. She is wondering if there is anything that can be done to help these residents with this issue. She is concerned this problem might get worse once the Metro Gold Line is completed.

Commissioner Dinsmore inquired as to the time frame that businesses and property owners have to remove graffiti from their property. He also inquired as to whether the Code Enforcement/Animal Control Officer's look for code violations when they are canvassing for dog licenses. He would like to see these officers also canvass the City specifically for code violations. Mr. Dinsmore also wanted to follow up on a request he submitted several years ago about providing bike awareness to bicyclist on Royal Oaks that frequent the area on the weekends.

ADJOURNMENT

The meeting was adjourned at 8:13 p.m.
