

The Gas Company will be upgrading their natural gas facility on Huntington Drive between Brycedale Avenue and 1553 Huntington Drive. They will be upgrading approximately 700 linear feet of new pipe with services. The project is scheduled to begin on June 10, 2019 and it's anticipated to take approximately six (6) weeks. Working hours are from 9:00 a.m. to 5:00 p.m., Monday through Friday.

Northern Pipeline, NPL, have been contracted to do the work in this area and will make every effort to keep the public safe throughout the construction phase. You may see trucks and equipment on the street, temporary "No Parking" signs, lane reductions or closures, detours and restricted left turns within the area of construction. For your safety, drive with caution through the construction zone.

Thank you for your cooperation with the collaborative efforts to improve the right of way infrastructure. Notices from the contractor have been provided to the residents however if you have any questions or concerns, you may contact The Gas Company at 800-427-2200, (24 hour phone number).
