

# What Goes In Your Recycling Barrel?

## Glass Bottles & Jars

You can also recycle the metal and plastic lids as well. NO mirrors, ceramics, light bulbs, windows or dishes.

## Plastic Bottles & Containers

Empty plastic containers and packing material with #'s 1 through 7 on the bottom. Plastic bags, are okay. You can also recycle plastic bags at most grocery stores.

## Aluminum & Metal Cans

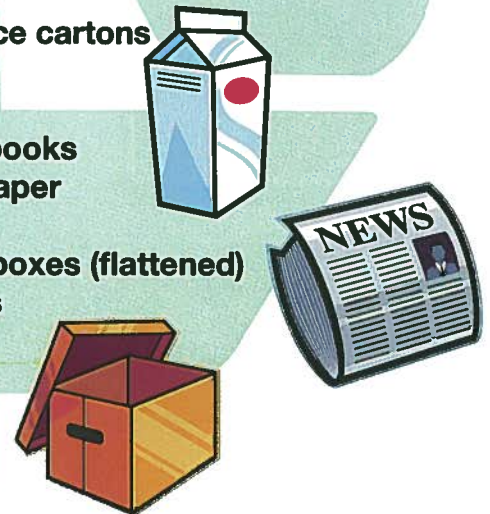

- Aluminum cans and foil
- Tin, steel, and bi-metal cans
- Aerosol cans

REMEMBER to empty all contents.

## Paper, Cartons & Cardboard

- All paper
- Milk and juice cartons
- Newspaper
- Paper bags
- Telephone books
- Wrapping paper
- Brochures
- Cardboard boxes (flattened)
- Egg cartons
- Mail
- Magazines

# Recycling Life Cycle

We pick it up...

take it to the  
Materials Recovery  
Facility (MRF)...

sort it...

bale it...

load it into trucks...

ship it to  
manufacturers to  
be made into new  
products.
