SPECIAL EVENTS

DUARTE SPRING FASHION SHOW

in Partnership with
★ **macy's** of Santa Anita

SATURDAY, MARCH 16 | 1 PM
Duarte Performing Arts Center
Presale Tickets \$10 | \$15 at the door

Don't miss Duarte's own Fashion Show! This runway show will feature residents and neighbors of all ages showing off their amateur modeling talents while highlighting this year's Macy's spring clothing line collections.

HONORING CESAR CHAVEZ: DAY OF SERVICE

SATURDAY, MARCH 23 | 9 AM - 1 PM

Volunteer Check-in starts at 8:30 AM

Westminster Gardens - 1420 Santo Domingo

Join us as we commemorate the life and legacy of civil-rights leader Cesar Chavez through a day of service. On this day, participants will devote their morning by volunteering in a beautification project located on the 32-acre campus of Westminster Gardens.

Continental breakfast and lunch will be provided for all event volunteers.

To volunteer, register at ACCESSDUARTE.COM, and click on "Register for Recreation Programs" to complete your participant registration. For more information, contact (626) 357-7931.

Cesar Chavez Essay Contest

ENTRY DEADLINE MARCH 21 AT 5 PM | FREE

Students in grades 9-12 can compete in an essay-writing contest on why they are inspired by the life of Cesar Chavez. Prizes will be awarded to 1st, 2nd, and 3rd place.

JUMP FOR
AUTISM
2024

TUESDAY, APRIL 2 • 6 - 8 PM
Duarte Teen Center
1400 Buena Vista Street

APRIL IS AUTISM AWARENESS MONTH.

Join the Parks and Recreation Department for its first autism awareness event. The event will feature a dance party, sensory stations, light refreshments, and opportunity drawings.

While this is a free event, pre-registration is required. To register, please sign in to ACCESSDUARTE.COM.

For more information, contact the Parks and recreation Department at (626) 357-7931.

The first 100 registered participants will receive a FREE T-Shirt upon check-in. Show your support by wearing your Autism Awareness swag or something blue every Tuesday in the month of April!

2024

After the museum, we will explore The Grove's plentiful shopping and tasty eats. Be prepared for extensive walking.

COMMUNITY NEWS

Duarte Boxing Trainer Victor Valenzuela Recognized for Years of Service

At the regular City Council meeting on Tuesday, January 23, 2024, Duarte Boxing Trainer Victor Valenzuela was recognized by the City Council for his years of service.

"Victor is a pillar in this community and has changed the lives of countless Duarte youth and adults during his time coaching at the Duarte Boxing Gym," said Mayor Vinh Truong. "The City of Duarte is infinitely grateful for his commitment to this community, which will have a lasting impact. Although he will be missed greatly, the Duarte Boxing Program will carry on his legacy for years to come."

Victor Valenzuela is the City of Duarte's outgoing Head Boxing Trainer at the Duarte Boxing Program. Victor has worked with the City since 2005, which marks 19 years of making a significant impact on Duarte's youth and adult amateur boxing participants.

"I was skeptical about a boxing program at first, but after a while how can you not be a believer when you look at the number of successes that Victor had here. It's beyond miraculous and he has truly changed the lives of so many kids," said Councilmember Margaret Finlay. "A huge thank you to Victor and his family for all that they've done."

Victor has spent a total of 46 years in the sport of boxing. When he began training in Duarte, he established the foundation and set the tone for the Duarte Boxing Program, ensuring all boxing participants have a safe environment to sharpen their boxing craft and learn from the experts.

"Victor has been instrumental to the boxing program's success, and it truly would not be what it is today without Victor's contributions. His dedication and commitment to this program is reflected in all the boxers that have worked with him over the years," said Recreation Supervisor, Marilyn Mays. "Victor's drive and hard work over the last 19 years never went unnoticed, and he will be greatly missed at the Duarte Boxing Gym."

"I have seen firsthand how the lives of my classmates have shifted just because of Victor's leadership and mentorship," said Mayor Pro Tem Cesar Garcia. "The boxing program is a jewel in our community. We credit the trainers and the staff but a big shoutout goes to the Valenzuela family for everything that they do."

In 2010, Victor was inducted into the California Boxing Hall of Fame, but he didn't stop there. Under his leadership, he coached two professional boxers and led them to box in world championships.

"Victor took me under his wing and started training me in 2019. Since then, I haven't stopped. I go to the boxing gym five days a week just to train with Victor and the other trainers," said Councilmember Sam Kang. "46 years is a mighty long time to do something you truly love, and Victor is so persistent and so dedicated. I've really enjoyed working with him, and he will be truly missed."

"Thank you to Victor for being stellar in our community and constantly leading by example," said Councilmember Toney Lewis. "Victor's mom left a legacy behind her and Victor continued that legacy throughout his 19 years of service."

Even after retiring from his full-time job two years ago, Victor continued his role as Duarte's Head Boxing Trainer. This year, Victor will officially retire from his position at the Duarte Boxing Gym and focus on spending more time with his family.

"My heart will always be here with Duarte. I've loved it here, and I'm going to miss everybody. I want to thank Marilyn Mays and the City Council for their support of the Boxing Program, we couldn't be successful without them," said Victor Valenzuela. "I'll still be around to volunteer here and there, but I'm looking forward to spending more time with the grandkids and my wife, who has been supportive throughout these 46 years."

**COMMUNITY CLEAN-UP,
SHRED & COMPOST EVENT**
Saturday, May 18 | 8 AM – 2 PM
Civic Center parking lot (1600 Huntington Drive)

Duarte and Burrtec Waste Industries will hold their bi-annual Duarte Community Clean-up, Shred & Compost event. Burrtec will be collecting bulky items, residential construction/demolition waste, electronic waste, and old documents for shredding. For compost materials, residents should bring the proper vehicle or storage container to accommodate the load. Burrtec will provide shovels. The City will also be distributing used oil containers for residents that would like to recycle their old motor oil safely. Household hazardous waste will not be accepted. Learn more about how to dispose of household hazardous waste at pw.lacounty.gov.

Must be a Duarte resident (no business waste allowed); IDs will be checked.

For more information, please contact Burrtec at (626) 932-1558 or the City Manager's Office at City Hall at (626) 357-7931.

Duarte to Enforce State-Mandated Organic Waste Recycling Requirements

As of January 1, 2024, the State of California requires all jurisdictions, including the City of Duarte, to enforce organics recycling programs mandated by SB 1383. To comply with state requirements, the City of Duarte will issue a Notice of Violation for all organics recycling violations and impose penalties if compliance is not met within 60 days.

The State of California enacted Senate Bill 1383 (SB 1383) in an effort to mitigate the amount of climate pollutants in the air caused by the release of methane emissions from organic materials decomposing in landfills, as well as to increase statewide edible food recovery efforts. Organic waste includes food waste such as fruit or vegetable scraps, food-soiled paper including coffee filters, and green waste such as weeds or branches. The goal of SB 1383 is to decrease organic waste disposal by 75% and increase edible food recovery by 20% by 2025.

Burrtec collects the organic waste from each resident's green cart on regular trash collection days. To be in compliance, make sure that you are subscribed to Burrtec's recycling and organic food waste services. Food scraps should go into the green cart, including:

- Meat, fish, bones, and shells
- Cheese and other solid dairy products
- Bread, pasta, pastry, and other grains
- Coffee grounds and tea bags
- Fruits and vegetables

During the week, residents may choose to store organic waste inside their homes to minimize trips to their green cart. When disposing of food waste in the kitchen, place the waste in a small container with a lid for easy disposal, such as in an old coffee can or a plastic container. Using a lid or placing scraps in the freezer will help prevent or contain any odor.

Bag liners for green carts must be paper. Plastic bags are not permitted in the green curbside bin. Alternatively, wrap the waste in newspaper before placing it in the container. If residents do use a plastic bag, all food will need to be emptied from the bag into the green waste bin.

Businesses in Duarte have additional requirements and responsibilities related to edible food recovery. Businesses must not intentionally spoil or dispose of edible food that is capable of being recovered by a food recovery organization or service. Instead, they must make arrangements via a contract with a food recovery organization or service to recover edible food that will be redirected for consumption.

The following business are required to follow edible food recovery guidelines:

- Food distributors, food service providers, and wholesale food vendors
- Grocery stores and supermarkets 10,000 square feet or greater
- Hotels with at least 200 rooms and an on-site food facility
- Restaurant facilities 5,000 square feet or larger, or seating more than 250
- Local education agencies with an on-site food facility
- Healthcare facilities with an on-site food facility and over 100 beds
- Large venues and events with over 2,000 daily visitors, including shopping centers and malls

According to the City's organics recycling enforcement mechanisms now in effect, violators will be required to reach compliance within 60 days of receiving a notice. The City of Duarte may extend the deadline of the Notice of Violation if there are extenuating circumstances that are beyond the control of the entity in violation of compliance, such as earthquakes, wildfires, flooding, and other emergencies.

Penalties increase when a resident or business violates the same requirement within a one year period. The penalties are based on Government Code Sections 53069.4, 25132 and 36900:

- First violation: \$50-\$100 per violation
- Second violation: \$100-\$200 per violation
- Third or subsequent violation: \$250-\$500 per violation

For any questions on this enforcement, contact the City Manager's Office at (626) 357-7931 ext.269.

Duarte Launches the Pedestrian Access and Bicycle Safety Improvement Project

The City of Duarte is pleased to announce the start of construction of the Active Transportation Program (ATP) Cycle 4 Pedestrian Access and Bicycle Safety Improvement Project.

The Active Transportation Program (ATP) was created by Senate Bill 99 and Assembly Bill 101 to encourage increased use of active modes of transportation in California, such as biking and walking. This improvement project aims to increase the safety of pedestrians and cyclists in the City of Duarte with lighting improvements, new signage, and pavement striping.

Duarte originally applied for the State grant in 2018. In December of 2018, Caltrans announced that Duarte received a top 14 score in the entire state, with an overall outstanding score of 93. The State awarded Duarte a total of \$2,023,000 for the construction phase of the Pedestrian Access and Bicycle Safety Improvement project.

The project was included in the Fiscal Year 2023-24 Budget and will be funded by State funds and SB1 funds. At its regular meeting on Tuesday, November 14, 2023, Duarte City Council awarded a construction contract for the Pedestrian Access and Bicycle Safety Improvement Project to FS Contractors Inc. The project scope includes:

- **Central Avenue Improvements:** Construction of a new sidewalk along the south side of Central Avenue and the installation of new signing and striping to increase safety for pedestrians and bicyclists.
- **Evergreen Street Improvements:** Reconstruction or new construction of the sidewalk along the north side of Evergreen Street between Brightside Avenue and Highland Avenue to meet all ADA compliance requirements. The project also includes pedestrian lighting and a new bike lane along Evergreen Street with the appropriate signage and pavement markings.
- **Pedestrian / Bicyclist Connection Corridor:** Improvements to the pedestrian corridor south of 210 Freeway between Buena Vista Street and Brightside Avenue that completes the connection onto Evergreen Street. Proposed work includes the reconstruction of the pathway surface, pedestrian lighting, new signage, and a new block wall along the south side next to the residential parcels.
- **Pedestrian Underpass Connectivity:** Widening the existing sidewalk and lighting improvements on the west side of Highland Avenue at the 210 underpass, and signage and striping improvements on Duncannon Avenue at the 210 underpass.

Weather permitting, construction will begin Monday, January 8, 2024 and is anticipated to be completed by the end of June 2024. Working hours will be between 7 AM and 5 PM, Monday through Friday and will be modified for any work on Central Avenue and Highland Avenue to limit school traffic impact.

For more information, please refer to the construction notice letter drafted by the City and FS Contractors, Inc. released on January 4, 2024.

The City of Duarte will oversee the construction process and will work closely with the FS Contractors, Inc. to minimize impact in the area. For more information or questions about the project, please contact Marvin Carpio at (626) 357-7931 or Ernesto Fierros at (818) 335-0775.

The City of Duarte Would Like Your Input

The City of Duarte is dedicated to ensuring that every household and organization in our community has access to the internet services they need. To achieve this goal, the City has partnered with Magellan Advisors, an Entrust Solutions Group Company, to conduct a comprehensive study of internet availability throughout Duarte. We invite you to participate in the Duarte Broadband Survey to help us better understand your internet needs and experiences.

If you are responsible for choosing and/or paying for internet services for your home or workplace, we encourage you to complete the survey. Even if you are not the primary decision maker for internet services, we kindly ask that you share this survey with the appropriate person in your household or organization.

We understand that not every question may have a straightforward answer. Please answer to the best of your knowledge and feel free to estimate if you are unsure about certain details. Your insights will help us identify areas that need improvement and prioritize initiatives to enhance internet accessibility in Duarte.

Participating in the Duarte Broadband Survey is easy! Simply visit our Broadband webpage at accessduarte.com/broadband to access the survey online. The online survey is available in English, Spanish, and Mandarin. If you prefer a printed survey form, you may print out a paper version of the survey. If you don't have access to internet or printing services, please visit the City Manager's Office at Duarte City Hall (1600 Huntington Drive) and City staff print out the survey for you.

DUARTE WELCOMES Bryan Ariizumi as Public Safety Manager

In November 2023, Duarte proudly introduced Bryan Ariizumi as the newly appointed Public Safety Manager. Bryan's connection to the San Gabriel Valley is profound, considering it's not just his workplace; it's his hometown and the foundation of his successful career in public safety. His journey in this field commenced in his teenage years when he volunteered as an explorer for the Los Angeles Sheriff's Department.

Bryan's dedication led him to serve as a community service officer with the same department, contributing over 6 years to the City of Rosemead. In this role, he adeptly handled criminal and traffic collision investigations, managed parking citations, and efficiently towed abandoned vehicles. Subsequently, he joined the Temple City Public Safety team, dedicating 3 years as a code enforcement officer before earning a well-deserved promotion to Public Safety Supervisor—a position he held impressively for 18 years.

In his managerial role, Bryan demonstrated adept oversight, supervising animal control, code enforcement, and public works personnel. His leadership extended to taking charge of Temple City's Emergency Management plan, showcasing organizational prowess and effective leadership.

Beyond his professional commitments, Ariizumi is an active volunteer, serving as an executive board member for the California Emergency Services Association (CESA) for over a decade. CESA, a non-profit organization, fosters mutual support and cooperation across various disciplines to prepare for natural and human-caused disasters and public emergencies.

During his leisure time, Bryan enjoys being a Disneyland season pass holder, relishing moments spent in the park with friends and family when not engaged in work or volunteer activities. Duarte looks forward to the valuable contributions Bryan Ariizumi will bring to the community in his role as Public Safety Manager.

EARTHQUAKE PREPAREDNESS

Earthquakes can happen anytime and anywhere. California is known for its frequent seismic activity. With this in mind, do you know what to do before, during and after an earthquake? Here are some earthquake preparedness tips.

Before an Earthquake

- Download the My Shake App to receive earthquake warnings.
- Sign up for Duarte's Nixle by texting "91010" to "888777".
- Have a Plan. Create a family emergency communication plan and an evacuation plan.
- Keep Supplies. Put together an emergency supply kit for each family member, including pets.
- Secure your Space (Hazard Mitigation). Reduce or eliminate hazards before an earthquake happens. Identify hazards and secure moveable items.
- Get Trained. Obtain certification in first aid and CPR. Attend a Community Emergency Response Team (CERT) training course.

During an Earthquake

If Inside a Building

- Drop, Cover, and Hold On
- If inside, stay inside

If Outside

- Go to an open area away from buildings, trees, power lines, overpasses, etc.

If Driving

- Drive to a clear spot on the side of the road and stop
- Stay in your car until the shaking stops

After an Earthquake

- Stay calm and make sure your family is O.K.
- Monitor media reports via radio, TV, social media, etc.
- Inspect home for damage
- Turn off utilities ONLY IF NECESSARY
- Help neighbors
- Expect aftershocks
- If trapped, signal for help

Activity

- Count the number of overpasses and underpasses (bridges) you cross in your community between home and work/school.
- If any or all of the bridges were damaged, would this affect your ability to get home, work/school?
- Develop alternate routes and backup plans.

Year in Review - City of Duarte Celebrates Significant Decrease in Crime Rates for 2023

In a noteworthy achievement, the City of Duarte proudly reports a remarkable 15.37% reduction in Part 1 crimes, signaling a safer community for its residents. The collaborative efforts of Duarte deputies and Public Safety staff have been instrumental in achieving this positive outcome.

A standout accomplishment is the substantial 35.85% decrease in assaults, showcasing the effectiveness of proactive measures taken by law enforcement. In addition, reports also highlight a 15.49% reduction in Grand Theft Autos, tempered by a concerning rise in cases involving Hyundais and Kias from model years 2011 to 2022. These particular vehicles lack an engine immobilizer, a standard anti-theft feature, emphasizing the need for enhanced security measures.

To address the rising trend in auto theft, residents are urged to contact the vehicle manufacturers for potential security-enhancing software upgrades, contributing to the overall safety of the community.

The City remains vigilant in addressing ongoing crime trends, notably a surge in theft from unlocked vehicles and catalytic converter theft. In a proactive initiative, Duarte Public Safety is partnering with Mountain View Tire and Auto Service (877) 872-0119 in the Target Shopping Center, providing residents with free car license number etching on catalytic converters. Residents also have the option to install protective cages around their converters to deter theft.

As a reminder to residents, taking proactive measures is crucial in avoiding victimization. The City offers the following tips:

- Prioritize parking SUVs, trucks, or Prius in your garage and secure them over other vehicles.
- Always lock your vehicle, take your keys, and set your alarm, even at home or in your garage.
- Avoid keeping spare keys inside your car, under your car, or around your home.
- Maintain a clean car, refraining from leaving valuables inside or in the trunk.
- Choose well-lit, heavily populated areas for parking, preferably in a garage or driveway.
- Make copies of your registration and insurance, keeping them in your wallet or purse, and remove all forms of identification from your vehicle.

Residents are encouraged to report any suspicious persons or vehicles by noting the car's make/model/color or describing the person(s). Contact Temple Sheriff's Station at (626) 285-7171 for all suspicious activity. In emergencies or when feeling unsafe, call 9-1-1 for immediate assistance.

The City of Duarte remains committed to fostering a secure and thriving community, and the collaborative efforts of its residents contribute significantly to achieving this goal.

HOOK'D & BOOK'D

Duarte Deputies Apprehend Suspect with Outstanding Warrant and Stolen Property

On December 24, at approximately 3:30 PM, dispatch received a call reporting a suspicious individual at Duarte Walmart. The caller described an African American man in his thirties, handcuffed and soliciting assistance from customers. Promptly responding to the call, Deputies arrived on the scene, observed the individual, and subsequently detained him for further investigation.

Upon investigation, it was revealed that the suspect had an outstanding warrant from San Bernardino County, amounting to \$250,000, related to assault with a deadly weapon. A pre-arrest search uncovered two completed personal checks in someone else's name and handcuffs belonging to a Los Angeles County Sheriff's Deputy. Further inquiries unveiled that both victims had experienced vehicle burglaries in Cerritos and Lakewood between December 20 and December 21.

The suspect, unable to provide a satisfactory explanation for being handcuffed or possessing the stolen items, faced additional charges. In addition to the initial charges related to the outstanding warrant, the suspect was arrested for possession of a completed check with the intent to commit forgery and receiving stolen property.

Residents are strongly encouraged to play an active role in community safety by remaining vigilant witnesses and promptly reporting any and all suspicious individuals to Temple Sheriff Station Deputy Dispatch at (626) 285-7171. The City extends its gratitude to Duarte deputies for their commendable work in maintaining public safety.
