

City Council Meeting

March 26, 2024

The preparation of this report was financed through a grant from the State of California – Department of Transportation.

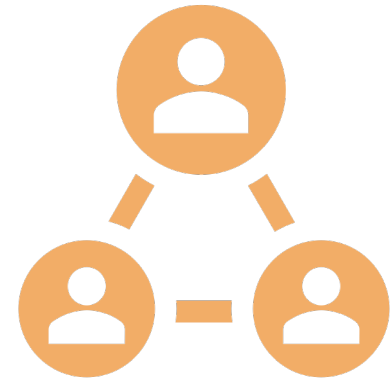

Funding & Partnerships

The **Duarte Safe Routes to School (SRTS) Plan** is funded by SCAG's Sustainable Communities Program for the City of Duarte

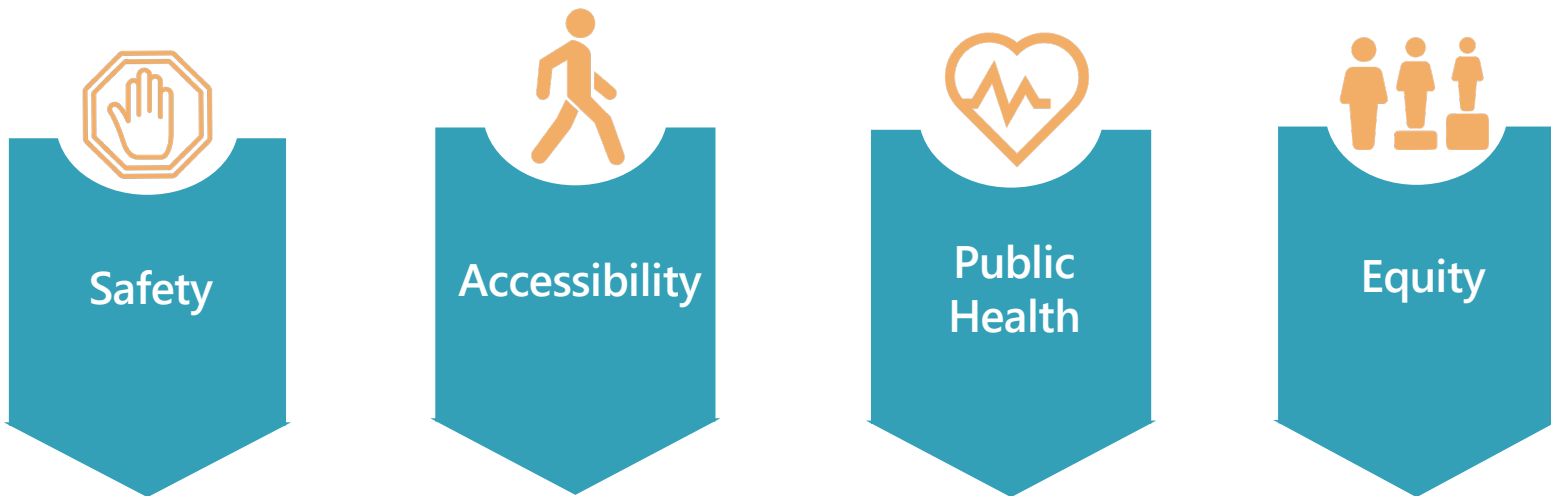

Key Participation from the Following:

- Duarte Unified School District
- School Site Leadership (School Principals and Support Staff)
- Duarte Kiwanis Club
- Duarte Rotary Club
- Duarte Mayor's Youth Council
- Duarte Parks & Recreation Dept.
- Duarte Area Source Team (D.A.R.T.)

Project Goals & Objectives

The **Duarte SRTS Plan** objectives were guided by community input and include...

The **Duarte SRTS Plan** will help guide the implementation of a safer and more accessible environment for students and families walking, bicycling, or otherwise getting to and from school.

Watson Recreation
Trail Improvements

Plan Process - Community Engagement

Walk Audits

Stakeholder Meetings

Students Say:

- "Too dangerous to walk."
- "Lots of trash along sidewalks."
- "Kids cross midblock while drivers pull U-turns in the middle of the street."
- "Drivers never yield to us in the crosswalk."
- "So much traffic on Central."
- "Streets need to have dedicated bike lanes."
